Re: United States v. Phillip Kenner  
Docket Number: 13 CR 607

Dear Judge Bianco:

I represent Phillip Kenner in the above captioned case scheduled for a status conference on January 22, 2014. Due to the current weather conditions, I am requesting a one day adjournment. Accordingly, I have spoken to your Courtroom Deputy, Michele Savona who advised me the Court is available on January 23, 2014 at 12:45 p.m. I am requesting the matter be adjourned until this time. I have also spoken to AUSA Carrie Capwell who has no objection to this request.

I have explained his rights under the Speedy Trial Act to Mr. Kenner who understands them. He waives his right to a Speedy Trial for 60 days and requests a new date that is convenient for the Court.

Respectfully submitted,

Randi Chavis
